Key Personnel Profile

Director – Tommy Chan

- Mr. Chan, has spent over 30 years building a strong reputation in Hong Kong's video production industry. He has hundreds of television commercials to his credit as both offline and online editor as well as post production supervisor, in special effects, for one of Hong Kong's leading commercial production facilities.
- In 1995, Mr. Chan founded his own facility, Inpoint Digital and works on editing a wide variety of corporate and television productions.
- Tommy obtained his MSc in Multimedia and Entertainment Technology from the Hong Kong Polytechnic University. Over the years Tommy has consistently demonstrated his mastery of video production to the highest professional level.

Production Manager – Percy Hui

- Percy has over 15 years experience in video post production and is a holder of a Higher Diploma in Design from the Hong Kong Technical College. He leads of our post production department and has delivered high quality edits for many videos including VTC Corporate Video, PolyU Dept of ISE Video, MTR Corporate Video, Disneyland Resort Link, Premier Management of Two IFC & the Arch, Kerry Properties, One Oasis Phase 1 & 2 Video, Swire Properties, Sun Hung Kai Corporate Video and the URA Kwun Tong Development Video.
